FOR BRONCHITIS, WHOOPING COUGH, CROUP, COUGHS AND COLDS

Make the Best Remedy at Home—128 Teaspoonsful for 50 cents.

If everything was sold in as liberal and fair a manner as the below named druggists are selling Schiffmann's New Concentrated Expectorant, absolutely no cause for complaint or dissatisfaction could possibly arise from anyone. These druggists say—"Buy a bottle of this remedy and try it for Bronchitis, Whooping Cough, Severe Cough, Croup or any Bronchial Affection, and we will return your money, just the same as we do with Schiffmann's famous Asthmador, if it does not give satisfaction, or if not found the best remedy ever used for any of these complaints." Why not take advantage of this guarantee and try this medicine, and get your money back, rather than buying another purely on the exaggerated claims of its manufacturer or on the strength of testimonials from others and run the chance of getting something worthless and also wasting your money?

In buying this remedy, besides securing an absolute guarantee of its efficiency from these druggists, you also get about eight times as much medicine as you would in buying most any of the old-fashioned, ready-made kinds, which average from 20 to 32 teaspoonsful, because 50c worth makes a whole pint (128 teaspoonsful) when mixed at home with simply one pint of sugar and one-half pint of water. This remedy positively does not contain chloroform, opium, morphine or any other narcotic. It is pleasant to take and children are fond of it. You will be the sole judge, and under this positive guarantee absolutely no risk is run in buying this remedy. Druggists everywhere are authorized to sell it under the same guarantee as Schiffmann's famous Asthmador of "Money Back" if not perfectly satisfactory. R. J. Schiffmann, Proprietor, Saint Paul, Minn. Guaranteed here by Ryan's Drug Store, Redwood City.

MARIE HAYES

Redwood has a new theatrical enterprise that has all the earmarks of a big success.

At 7 o'clock and 8.15 Saturday and Sunday evenings they will present vaudeville and moving pictures at 10 and 15 cents admission prices at the Alhambra which they propose fitting up as a first class theatre.

Here is a part of the program. A brand new Charlie Chaplin comedy. Louise Gladstone and Marie Hayes, singers, dancers and acrobats. Seigt Leight and girls. Canadian mounted police.

CONSTRUCTION OF COAST ROAD

The Board of Supervisors met in adjourned session Monday, February 28th, there being present Jos. M. Francis, presiding, Jas. T. Casey, Wm. H. Brown and John MacBain; absent C. V. Thompson.

The purpose of the meeting was to take up the matter of the construction of the Hillsborough to Halfmoon Bay road, so that the proceedings could be started at once.

The board selected next Thursday to visit the different parts of the county, where the roads had been damaged as a result of the severe storms and ascertain what is needed in the way of repairs.

Surveyor James V. Neuman presented plans and specifications for that portion of the above road between the Hillsborough city limits and the Poor Farm road. The new road is to consist of a five-inch concrete base with an asphaltic oil wearing surface.

The plans and specifications were adopted, on motion of Brown, seconded by MacBain.

Surveyor Neuman next presented plans and specifications for a six-inch macadam road for that portion between Crystal Springs road and Halfmoon Bay; also alternate plans and specifications for a four-inch concrete base with an asphaltic oil surface for that portion between Pilarcitos creek and Halfmoon Bay.

The above plans and specifications were adopted on motion of Brown, seconded by Casey, and the clerk was instructed to advertise for bids.

The board adjourned at 10:40 a. m., to meet again Monday morning, March 6th.

BISHOP HUGHES SPEAKS AT THE ALHAMBRA TUESDAY EVE.

"I think most highly of Bishop Hughes. He is a very human man, a remarkably interesting speaker and a fine representative of the vigorous, practical scholar."—David Starr Jordan.

Bishop Hughes is to give his celebrated lecture, "The Autobiography of a Boy", at the Alhambra next Tuesday evening, March 7th, and from the high esteem in which he is held by such men as Governor Johnson, Chancellor Jordan, President Wheeler of the University of California and Mayor Rolph of San Francisco, the public can attend this lecture confidently expecting something really good. President Wheeler says:

"I am very glad you are going to hav Bishop Hughes speak for you. Wh: ever subject he speaks about, he illuminates and vitalizes. His lecture on "The Autobiography of a Boy" I have heard is irresistible.

The following commendation has been received from Mayor Rolph's office:

"He is one of the most forceful speakers in California, and will unquestionably not only interest but delight all who may have the pleasure to hear him. Bishop Hughes is a man of active good works, and not only is a hard worker in the cause of all that is good in the civic moral life of California, but, being a very clever thinker, is also able to express himself in a manner so logical and convincing that every word he utters is well worth hearing."

A REMINDER

"Procrastination is the Thief of Time."

What a true saying this is, and yet we find ourselves putting things off day after day that should be attended to immediately, and paying dearly for it in the end. This will apply very gracefully to our sale of

Men's Furnishings

THE SALE STARTED OFF WEDNESDAY WITH A BANG! and the receipts for the day were far beyond expectations, and yet we hardly made an impression on the stock. The closing out of our MEN'S WEAR is only to make more room for our Dry Goods spring and summer lines which are beginning to arrive, so the Gents' Furnishings must go. I would advise all who would likely need anything in this department to take advantage of this sale, as all merchandise is not only going to be higher but scarce, especially if the present conditions continue to exist, so do not be afraid to supply yourself. These are all plums, not a lemon in the basket, and we will still be in business here and make anything good if by chance anything should be otherwise. I thank you. M. J. KNOX.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

Just one year from today President Woodrow Wilson will be bidding farewell to the White House and his Republican successor will be taking the vacant chair for four long years of peace, prosperity and plenty under a harmonious and intelligent Republican administration.

FOR THE STATE SENATE

Joseph Nash of Redwood City, County Clerk of San Mateo County, is in town today announcing himself as a candidate for the Republican nomination for State Senator from this district, which includes San Mateo, Santa Cruz and San Benito Counties.

Mr. Nash has been County Clerk of San Mateo County for ten years and is the secretary of the county clerks' association of the state. In a letter of introduction a mutual friend says:

"I have ever found him in the front ranks of those who were striving for that which is right politically, and I know him to be a citizen of high standing, ability and integrity."

By the unwritten law of rotation, the State Senator is held to be due to San Mateo County this term.—Santa Cruz Surf.

JOHNSTON TURNED DOWN

A bold attempt on the part of the Governor to grab the Republican delegation to Chicago was nipped in the bud Saturday at a meeting of the Republican Executive Committee, when Chairman Walter Bacon laid before the meeting the proposition of Meyer Lissner, the special representative of the Governor in these matters and who had come to San Francisco to see what could be be done to carry out the Governor's scheme. Lissner's proposition, which is exactly the same as that made in Washington ten days ago by Lieutenant Governor Eshelman to a prominent California Republican, was that the referendum and initiative campaign be dropped; that the Governor be allowed to name one-half the Republican delegation to Chicago and that the entire delegation be instructed to vote for him for Vice-president. If those terms were accepted and the Progressive convention at Chicago decided to amalgamate with the Republicans then Johnson, Lissner, et al, will come into the Republican party and lead it to victory in November.

Needless to say, this outrageous proposal was emphatically turned down unamiously by the members of the executive committee, who all declared that while they had no objection to the Johnsonites returning to the Republican party yet they must come back as privates and not as leaders. Letters from all over the state have been pouring in to San Francisco endorsing their position and it seems to be the universal opinion of the Republicans of California.

Al McCabe, the Governor's Secretary who has occupied a room next to Meyer Lissner during the negotiation at the Palace Hotel with a communicating door between them, was very conspicious in the lobby of the Palace while the Republican Executive Committee was in session. As soon as the refusal of the Johnson terms were made public they immediately retired for consultation and Lissner hurried South on the afternoon train while McCabe sought the Governor. Telegrams were sent to Lissner to deny that he had made any proposals to Bacon, the Chairman of the Executive Committee, and Lissner even went so far as to claim that the suggestion came to him from unnamed prominent Republicans and not from him to Bacon. The fact that Al McCabe since February 5th has been actively engaged trying to persuade members of the Republican State Central Committee, to agree to some plan like the above, his presence in San Francisco in continual consultation with Lissner, Lissner's frequent talks with Bacon and Bacon's own declaration in detail of his relations with Lissner, all prove that Lissner's statement is as untrue and mendacious as most of the statements that emanate from the Governor's entourage usually are.

The petitions for the referendum and initiative are now being sent out for signatures. In the northern part of the state Assemblyman Cary and Mr. Troy have thoroughly organized all the larger counties and only a few like Alpine will be unrepresented when the petitions are filed with the Secretary of State.

The Republicans in the person of their Central Committee will meet today to arrange for the nomination of straight out Republicans to go to Chicago.

The Governor is out in an interview in which he says that he controls the majority of the Republican vote of California and can elect whom he chooses to the Republican convention. He proposes to have two delegations at Chicago pledged to him for Vice President, one at the Progressive and the other at the Republican convention.

He's Eating Up YOUR Money
Did you know the U. S. Government has shown that the ground squirrels on your place are collecting 34c from you every year for each acre of your cultivated land, in what they eat and destroy?
Furthermore, did you know that these little destroyers depreciate land values an average of $2.74 per acre? Can you afford to pay the toll? Stop it. Get rid of these pests that eat your crops, destroy your trees and vines, and spoil your land. It's easy and inexpensive to get rid of them with Kilmol.
Kilmol is a liquid chemical that both asphyxiates and poisons squirrels, gophers, etc.—Kilmol "will kill 'em all."
Waste balls are saturated with Kilmol. One is placed in each burrow, then ignited. The gas quickly penetrates to every part of the tunnel.
It "gets" Mr. Squirrel or Mr. Gopher before he can escape. One application, costing less than one cent per burrow for Kilmol, invariably does the business—it's 100 per cent efficient. Results absolutely guaranteed or money refunded. Kilmol can also be used with U. S. Destructor—a machine invented by U. S. officials that forces Kilmol gas into burrows—Kilmol is used by Government, State and County officers.

NOTICE OF PRIZE PARTIES UNDER BAN OF POST OFFICE

Guessing Contests and Prize Whist Party Notices Can Not be Mailed

Those desiring to insert reading notices in the Times-Gazette concerning card parties and the like where prizes are given and an admission charged would do well to peruse the following letter from Postmaster Kelly of Palo Alto. It tells the story.

"On account of the question raised by the late post master of this city regarding the mailability of the Daily Palo Alto Times containing a local news item about a 'turkey whist party,' a clipping from the Redwood City Times-Gazette was recently submitted to the Solicitor of the Post Office Department, at Washington, in order to secure a ruling on the mailability of such articles as yours describing the 'Kaima Club' card party and dance. The articles submitted were from your issue of February 12, 1916, and mentioned the offer of prizes for the first correct guess received as to the meaning of the word 'kaima.'

"In the Daily Times case the Solicitor ruled that newspaper articles relating to card games at which prizes are awarded and admission fees charged are unmailable The purchase of tally cards and other substitutes for admission fees render the card party objectionable, he says. Newspapers are mailable containing accounts of merely social card parties at which no fees of any kind are charged for participation, despite the fact that the prizes may be awarded to the best players.

'In reference to the 'kaima club' party the Solicitor rules in substance that your items announcing the prizes for that party are unmailable. Guessing contests for prizes are held to be prohibited under Sec. 482, Postal Laws and Regulations, 1913. Persons asking for publicity relating to card parties should furnish you with information as to whether or not any entrance fee is to be charged, or any substitute for an entrance fee. You in turn should furnish the postoffices (that handle your mail) with the same information if it is not disclosed on the face of your articles.

"Newspapers referring in any way to guessing contests for prizes or referring in any way to card parties at which prizes are offered and admission fees charged, are unmailable, and mailing them is a criminal offense, under Sec. 213, Act of March 4, 1909, 35 Stats., 1088.

'I may add that the intention of the department officials seems to be not to annoy the newspapers, nor to interfere with innocent parties or games, but to place the stamp of federal disapproval upon even the most innocent looking forms of gambling. The Solicitor's annual report indicates that he desires and is receiving the cooperation of newspaper men in purifying their advertising columns. As you see, the law—Sec. 213—dates back to 1909."

W. H. KELLY,
Postmaster

Palo Alto, California, February 26, 1916.

CHAIRMAN MERRILL INTERVIEW ATTORNEY

Board Determined to See Injured Employees Compensated for Losses Through Injury.

A report by Chairman Merrill of his interview with an attorney for the State Industrial Insurance Commission brought forth expressions of determination from all the members present at an adjourned meeting of the board of town trustees Monday evening to see injured city employees compensated for their losses through injury. Mr. Allain, who was injured some time ago while watering trees for the city has not as yet received any assistance and his case is a deserving one. His injury has resulted in the loss of one of his legs. Officials of the insurance commission argue that Mr. Allain was engaged in horticultural work and therefore not covered by their insurance. In Mr. Ryan's case they argue that he was injured on his way to work and therefore they are exempt. Mr. Merrill contended that Mr. Allain was not doing horticultural work as the town is not in that line of business and that as Mr. Ryan is in the continuous employ of the city he is never going to or coming from work. His duties constitute continuous service to the town.

Resolutions were adopted ordering the unlimited acceptance of all the provisions of the state liability act excepting volunteer firemen.

Ordinance, No. 170, prescribing notices of election was adopted by unanimous vote. It provides for the general municipal election to be held on April 10th, appoints officers of election and designates the polling places.

Plans and specifications were received and adopted and resolutions of intention were passed for the improvement of the shoulders on El Camino Real from Five Points to Rodgers street. The plans provide for a 5-inch concrete roadway on each side of the state highway to the curb with a 1½-inch asphalt top. All necessary culverts and gutters are included. The average width of the pavement will be 7½ feet on each side of the highway.

A communication from the Board of Fire Underwriters calling attention to the dangerous condition of a chimney in the Tremont Hotel on Main street was referred to Trustee Sampson, chairman of the fire committee.

EUROPEAN WAR SENDS PRICE OF DRUGS SOARING

Cost of Raw Material Jumps From Ten to Two Thousand Per Cent

As a result of the war in Europe wines, alcohol, paper, twine, glue, boxes, in fact nearly every article and every bit of material we are using has increased in price the increase ranging from ten to two thousand per cent. In no particular line of trade has the increase been more marked than in the drug line. Discussing the jump in prices, P. A. Ryan, the local druggist, brought out the following startling figures, the cost referring to the raw material. Napthalin, increased to ten times its normal cost; beta naphtol, about twelve times; glycerine, three and one half times; resorcin, not less than fifteen times; benzoic acid, twelve times; carbolic acid, twenty times; salicylic acid, eight times; acetanilid, seven times; mercury and mercurials, five times their normal cost; quinine salts, three times; cod liver oil, four times; castor oil, three times; couch grass, three times; belladonna, seven times; ipecac, three times.

WOODSIDE NOTES

Quite a few from Redwood attended the dance given by the Magilder Club at Woodside last Saturday evening. Those who went report having a good time.

The singing of Mrs. John D. Gish of Woodside was praised in Monday's issue of the San Francisco Examiner by Redfern Mason, the musical critic of the publication. Mrs. Gish sings with the choir of the Trinity Episcopal church in San Francisco and last Sunday afternoon took part in the sacred cantata given by the choir.

Mr. and Mrs. J. Athearn Folger and Miss Genevieve Cunningham will leave San Francisco next month to open their country place at Woodside. The wedding of Miss Cunningham and Platt Kent will take place this summer at the little church at Woodside, where Miss Evelyn Cunningham and Joseph Donohoe Jr. were married last summer, and where Mr. and Mrs. Edwin J. Tobin and several other couples of her coterie of friends have been married in the last few years. The wedding will be a small "country" affair, with only relatives and closest friends in attendance.

William T. Casey is installing an elaborate water system at the residence of Mrs. Drexler at Woodside. Several thousand dollars will be expended in this work.

Hearing on Grade Crossings

Mayor George A. Merrill and H. C. Tuchsen will attend an important meeting of the State Railroad Commission in San Francisco on March 10. The public is also invited to attend. The commission will undertake a movement to improve the grade crossings situation in the state by closing crossings which can be closed without undue inconvenience and safeguarding as far as it can the remaining crossings by the installation of protective devices, the removal of obstructions. It has not been decided upon the exact program it will follow in this work but it is self evident that to secure the best results it must have the cooperation of the railroads and the towns, cities and counties as well as all the help and assistance it can secure from other sources. The work outlined by the commission is a commendable one and one that will receive the approval of every person in the State of California.

Chosen to Represent This District at Democratic National Convention

District Attorney Franklin Swart has been selected by a conference of the Democratic Central Committee as a delegate to represent this district at the Democratic National Convention to be held at St. Louis on June 14.

They will remain for some time visiting various points in the East before returning to California. Mr. Swart is a hard worker and richly deserves the vacation which he certainly has well earned.
